

## Incoming 5th Grade Summer Assignments

To help fill those long, lazy days of summer, I am providing you with a summer reading assignment. All students **must read** *This Kid can Fly: It's About Ability (NOT Disability)* by Aaron Philip. When school resumes we will study and discuss the book and there will be an assignment after the class discussion, so students should read *This Kid Can Fly: It's About Ability (NOT Disability)* carefully before school begins. **It is not necessary for the students to write a book report.**
