

Summer Reading Assignments

To help you prepare for the fourth grade I thought you may want to do some summer reading! All students will be required to read *Because of Winn Dixie* by Kate DiCamillo. There will be a test the week of September 12, 2021.

Students will also be using ReadWorks. Each student will be required to read two articles a week and complete the comprehension set attached to the article. The assignments will appear in Google Classroom in the Summer Reading 2021 class. All students have been invited to join the class. If you are having trouble, the Summer Reading Google Classroom class code is 6af6non. The articles will appear on Sunday of each week and must be completed by Saturday. All articles will be graded for use in the first trimester.

Throughout the summer, I will be available through the stream to answer any questions you may have. I hope you enjoy this reading experience and I am looking forward to a fabulous year in fourth grade with all of you.

See you in September,

Mrs. Henry
